Sounds like a broken record but thanks to Jean, Linda, Alison and Brian, without whose good offices we couldn't function. Thanks to all the runners for coming, for bringing stuff for Santa's sack and to all runners who overpaid. We have already forwarded the profits to Silsden and Bramley. Apologies for the debacle of numbers printed on toilet tissue and thanks for your help in the forensic results construction and for the self certification! If you can help fill the gaps we would be very grateful. There are excellent photos available from David Brett . Thanks to the many folk who turned up in their jimjams although after the rainstorm we looked like survivors of a swimming lesson on lifesaving!

Cheers Paul and Jean
